

The image features a light green background with several green leaves. A large leaf is in the top left corner, another large leaf is in the top right corner, and a smaller leaf is in the bottom left corner. In the bottom right corner, there is a small branch with several small green leaves. The text "Growing Beans" is centered in the middle of the image.

# Growing Beans

# I tried two different methods to grow beans

## First method

I put the beans in soil

## Second method

I put the remaining beans in to  
another cup with wet cotton

# After 3 –4 days

The beans in the soil starts  
growing

On the other side, the beans in the  
cotton are still kept untouched

# A week later

**The beans in the soil grew  
more**

**The beans in the cotton  
sprouted**

# About another 2 weeks later

The plant grew even more

It grew too

Forgot to  
take a  
picture

# The final result

**The end**
